Description

In the quiet and green residential area of Adsubia, one of the most popular locations of Javea, you will find this beautiful new build villa that combines the charm of a traditional Mediterranean finca with the comfort and quality of modern living.

Surrounded by mature pine trees and adjacent to a green area, this property enjoys exceptional privacy and tranquillity, while the Arenal beach, the port of Javea, international schools, golf courses and all daily amenities are within a short distance.

Upon entering, you immediately notice the warm Mediterranean appearance. Natural materials, wooden ceiling beams, elegant arches and large windows create an attractive home in which indoor and outdoor living flow effortlessly into each other.

The spacious living space consists of a bright living room, a cosy dining room and a high-quality open kitchen with cooking island and luxury appliances. Thanks to its open-plan layout, this forms the perfect heart of the proper
