Description

Built in 2023 and finished to a high standard, this bright and elegant apartment on the ninth floor of a well-maintained urbanisation offers the kind of easy, sun-filled living that so many dream of on the Costa Blanca.

From the 17 m² terrace, morning light arrives early and stays late the views are wide, the air is fresh, and the sense of space is immediate. It is the kind of spot where coffee tastes better and evenings slow down the way they should.

Inside, 100 m² is thoughtfully laid out across three exterior bedrooms, each with fitted wardrobes, two full bathrooms, and a generous open-plan living and dining area. The kitchen is fully equipped with modern cabinetry and quality appliances everything in place, nothing to do. The flooring throughout is ceramic stoneware, the front door reinforced, and comfort details like air conditioning splits, ceiling fans in every room, and an electric awning on the terrace have all been taken care of.
