Description

Nestled in one of Denia's most sought-after areas just moments from the beach, marina, and vibrant town centre this immaculate townhouse offers a rare blend of privacy, light, and convenience. Set in a quiet street facing an open space between two rows of terraced homes, it enjoys exceptional natural light further enhanced by newly installed double-glazed PVC windows added during a full renovation in 2023.

The property has been thoughtfully upgraded, with brand-new bathrooms, modern kitchen appliances, and updated exterior paintwork. The location is superb everything you need is within easy walking distance: supermarkets, restaurants, and, of course, the beautiful sandy beaches of Denia.

As you enter through the front door, you're welcomed into a spacious, open-plan living and dining area. To your right is a guest bathroom with shower, a storage area, and a versatile room that can serve as a ground-floor bedroom or office
