Description

A beautiful home in Javea looking for the right people to care for it This is not simply a house to rent. It is a much-loved home, and the owners are looking for a very special couple to enjoy it and look after it as their own for a six-seven month period. The house is beautifully presented, peaceful and welcoming, with the kind of atmosphere that makes you feel at home the moment you walk through the door. It would be particularly suited to a responsible, respectful and considerate couple who appreciate a beautiful home and will take pride in keeping it in wonderful condition. For this reason, the owners have decided to offer the property at a reduced rental price, for the right people rather than simply filling the property
