Description

We present to you a luxury town house in the heart of J  vea, very close to all services. The house was tastefully renovated in 2018, maintaining the character and essence of yesteryear. The property is laid out with a spacious entrance hall, perfect for welcoming our guests, a bright living-dining room with a fireplace, and an open-concept kitchen. The large windows allow for plenty of natural light and access to a beautiful patio with a pool and lovely Tosca stone walls. A bedroom and a bathroom with a shower complete the main floor. On the upper floor, we find three bedrooms and a bathroom with a wonderful clawfoot tub, a second large living room that can easily be converted into an extra bedroom with access to a solarium/terrace. The entire home is equipped with double-glazed windows with shutters, underfloor heating on the ground floor, electric heaters on the upper floor, as well as solar panels for greater energy efficiency.
