Description

Tucked away in the quiet Gran Sol area of Calpe, this Mediterranean-style villa pairs traditional character with a full renovation completed in 2019. The 898 mÂ² plot holds 266 mÂ² of living space, facing south-east and looking out over the Mediterranean and the iconic PeÃ±Ã³n de Ifach.

The home is arranged over three levels plus a rooftop solarium. On the main floor you'll find a fully equipped kitchen, an L-shaped living and dining area with double-height ceilings and a fireplace, a double bedroom with dressing room, and a bathroom. Upstairs are three further bedrooms and two bathrooms, including a master suite with dressing room, en-suite bathroom, and a private terrace overlooking the sea. The semi-basement adds a wellness area with sauna, a wine cellar with lounge space, and a bedroom with en-suite bathroom and direct garden access. The rooftop solarium crowns the property with uninterrupted views
