Description

Tucked away in the quiet, well-established residential area of Cabanes-Mores, this beautifully renovated home offers the

best of both worlds: the tranquillity of a natural setting and easy access to Jávea's historic old town, the Port, and Arenal Beach. It's a wonderful spot to enjoy the Mediterranean lifestyle year-round, with all amenities just minutes away.

Built across 137 m² over two floors, the house has been fully renovated with comfort, efficiency, and practicality in mind. Upstairs, a bright and spacious living-dining room impresses with its high ceilings and exposed wooden beams, centred around a cosy fireplace that makes the space feel warm and inviting throughout the year. From here, a pleasant porch opens up, ideal for relaxing outdoors in Jávea's mild climate. The fully renovated kitchen on this level is modern, functional, and ready to use
