Description

This beautifully renovated 3-bedroom, 2-bathroom villa sits in the highly sought-after La Corona area, elevated above Javea Port with views toward the Montgó³. The primary suite opens directly onto the patio and pool, giving it a genuine indoor-outdoor feel from the moment you wake up.

The interior has been renovated and styled for modern living, with a bright, open-plan living area and a sleek fitted kitchen. Outside, the villa features a well-appointed bar area, ideal for evenings with friends and family. The pool sits in an elevated position with panoramic views over the surrounding hills.

Additional features include parking for three cars, a shaded driveway with electric gates, and a range of quality finishes throughout the property.

Homes of this standard in La Corona don't come up often. This is a rare chance to own a luxury villa in one of Javea's most desirable locations
