Description

This Ibiza-style villa sits in one of J vea's most sought-after areas, within easy walking distance of Platja de l'Arenal, the beach promenade, restaurants, caf s, supermarkets and pharmacies. A location that offers both privacy and genuine convenience.

Set on a 1,700 m  plot, the villa has 260 m  of built space across two floors. The architecture is classic Ibiza style: white volumes, clean lines, and an open, relaxed feel. Inside are six bedrooms and four bathrooms, with bright, well-proportioned living areas. The layout works equally well as a family home, a holiday property, or an investment.

Outside, a wide terrace surrounds a 45 m  pool. An outdoor kitchen extends the living space, and the large flat plot leaves plenty of room for further landscaping, a garden, or additional leisure features. An electric gate opens onto private parking for up to ten vehicles a notable feature this close to the centre
