Description

At the foot of the majestic Montgó³, in one of the most private and unspoilt enclaves of the Costa Blanca, Villa Azahar is taking shape an exclusive tailor-made architectural project, designed to unite luxury, tranquillity and Mediterranean beauty.

Built on a flat plot of more than 2,000 m², the villa enjoys a perfect south orientation and impressive panoramic views of the valley and the Montgó³. The environment is characterised by nature, silence and complete privacy. At the same time, the centre of Javea is less than seven minutes away and you can reach the beaches and the golf course in just ten minutes.

With its harmonious silhouette and warm tones, bathed in Mediterranean light, Villa Azahar reinterprets the timeless elegance of American colonial architecture, combined with modern Mediterranean finesse. The imposing volumes, tiled roofs, columns and exposed wooden beams together form an architectural whole in which luxury and serenity go hand in hand.
