Description

Located on an exclusive plot in Residencial RacÃ³ de Galeno, Villa Alora is a contemporary home designed to integrate into the landscape and maximise natural light, privacy and open views of the surroundings. Its composition of white volumes, horizontal lines and large glazed surfaces creates an elegant and timeless aesthetic, enhanced by spacious outdoor terraces.

The villa is distributed over several levels, adapting to the slope of the plot and making the most of its orientation. The main floor brings together the daytime living area in a spacious open-plan setting, with the living-dining room connected directly to the outdoor terrace and swimming pool. The modern and functional kitchen is integrated into the space and features a central island, creating a practical area both for daily use and for social gatherings. This level extends towards a large terrace with lounge areas and an outdoor swimming pool, designed to enjoy the Mediterranean lifestyle throughout the year
