Description

Completed in March 2025 and never lived in, this contemporary three-storey townhouse offers the rare combination of a brand-new, move-in-ready home in a quiet, green setting just minutes from the beaches of J  vea and within easy reach of Moraira and D    nia.

Surrounded by countryside and built for comfortable family living, it's an ideal base for anyone who wants space, light and

modern efficiency without giving up proximity to the coast.

A Home Designed Around Daily Life

Three floors are connected by both a staircase and a private lift, making the layout as practical as it is comfortable a real advantage for families, older buyers, or anyone who simply prefers not to climb stairs every day.

The middle floor is where the household comes together: an open-plan living room framed by views of the Montgó³, a bright, sun-filled kitchen, a private patio made for outdoor dining, and a guest WC for convenience. Upstairs, three double bedrooms and two
