Description

A rare opportunity to secure one of the final homes in Talasa Caelus, part of the exclusive Talasa Utopian Village just moments from La Almadraba beach.

With only three units remaining, this is your chance to own a modern Mediterranean home in a nearly sold-out development. These carefully designed apartments offer bright open-plan living spaces, seamlessly connected to generous terraces of over 20 m² perfect for enjoying outdoor living all year round.

The remaining homes include spacious 2- and 3-bedroom layouts, with built areas of approximately 100 m² to 118 m², designed for comfort, efficiency, and natural light. Interiors are modern and functional, with direct access to outdoor spaces that extend the living area and create a true indoor-outdoor lifestyle
