Description

Casa Boutique del Mar exclusively presents this fabulous and very well maintained property located in the Urbanization La Corona, in a residential cul-de-sac just two minutes from the port of JÃ¡vea and the beach of La Grava.

The house has a living area of 198m2 and an additional area of 80m2 with development potential.

We access the property from its upper part where there is a space for at least two parking spaces.

On the upper floor there is a large room with its en-suite bathroom illuminated by skylight and a totally private solarium terrace.

The main floor is dominated by a magnificent panoramic lounge. The light that enters the living-dining room is simply spectacular. We go out to the 20m2 terrace to contemplate the bay of JÃ¡vea from a privileged location.

On this same level we have access to the kitchen, a single bedroom and a full bathroom. On the opposite side of the living room we find the master bedroom area; a room with a fireplace a
