Description

Where Modern Luxury Meets Mediterranean Soul
El Rafalet, JÃ¡vea – Completion July 2025

Imagine waking up to the soft rustle of Mediterranean pines, sunlight pouring into your bedroom as the day begins in perfect peace. You open the terrace doors and step into your private garden birdsong, mountain views, and the inviting glimmer of your own turquoise pool greet you.

This is more than a house it’s a home where every detail has been designed for a life well lived.

Nestled in the quiet, green hills of El Rafalet, this brand-new Mediterranean villa is a sanctuary of style, comfort, and functionality. Built for both restful retreats and vibrant entertaining, the villa blends timeless design with smart modern touches to create a truly unique living experience
